CONFERENCE

Frank Powers

Our 2011 conference is coming up soon. It is being held at the Holiday Inn Select in Columbia, Missouri on March 4th 5th and 6th. Our last conference was a great success. We are going to try a three day event this year. More details are inside. I have been remiss in not getting out more newsletters but work and family issues have been taking up most of my time the last 6 months and work is not going to get easier for me. This conference is the last event for me as a member of the board and as director for Kansas City. I am unable to devote the needed time and really feel this is a disservice to the rest of the board as well as you the Association members. As you can see, the Association is in real need of someone to fill in as newsletter editor. The board needs people to fill in as director for KC and for Northwest regions. It has been an honor to serve you

Elections

This years elections are for Central and Southwest Regions. If interested please let your director know. This is a great group and in need of dedicated people to help lead into the future.

Need to renew your membership by March 1st, 2011.

Please renew and urge others to join our Association

DUES

There is much confusion concerning dues. At the annual conference several years ago, it was Voted to change the year to March 1st thru the end of Feb. Many have not renewed membership due to the past controversies, waiting to see the direction the board/Association was going to take. The past is now behind us and we are moving forward. Dues are \$10 per year. Please join and urge others to join. We need you and your ideas to move forward in the future. Please renew your membership by March 1st of 2011.

REGIONAL REPORTS

Do you have a knack of making things related to Hunting/trapping/shooting. Mike Mansell and Jerry Bryant are looking for these types of items for the silent auction to raise money for the Smitty Bear Funds. Working with other instructors and sponsored by MHEIA, they had a managed squirrel hunt at Baltimore Two squirrels were harvested but I think many new hunters are hooked. They will be raffling off a new lever action 30-30 at the conference with the proceeds going to the fund. We hope to sponsor more of these type events in the future.

Kansas City - Frank Powers

We are excited about this year's conference. It is to be held at Holiday Inn Select in Columbia Missouri. The board has been working hard to put together a conference by and for instructors. I need nominations for the KC Region Instructor of the Year. Must be a member of the Association. Please see the info on the conference and elections inside this newsletter. Congratulations To Chris Capps. Chris is our new OOS for the KC Region. Congratulations o Dave Wyatt on his Retirement. Shirl also retired from the office this year in June. Both will be sorely missed.
