President's Column

What do You want MHEIA to be?

Why do you volunteer your time? Why are you a member? What does it benefit you to belong to this association? Are these questions you ask, or are these questions you answer? Which side of the conversation are you on? Do you defend the organization or do you criticize the actions of those trying to make change?

I have started, deleted, rewritten, deleted and started over more times in writing this article than I care to count. I wanted to find some magical words that will make this organization thrive, and keep all the members happy. I have found, during the time I previously have served on this board of directors, there are no magical words. There is always going to be someone who is not happy with a choice we make and there will be those that will be overjoyed.

What can we do to insure a future for MHEIA? We must work to make it work. If we don't, then nobody will do it for us. We must all move in a focused, positive manner toward a common goal. What is that goal? I would like to think that goal is defined as our bylaws states.

I quote from the bylaws:

Section 1. PURPOSES. The purposes of the Association, none of which are for profit are:

A. To instill in all generations of sportspersons a more knowledgeable outlook towards safety, ethics, conservation, game management, and other areas of responsibility in the wise use and enjoyment of the out of doors.

B. To promote communication among hunter education instructors in Missouri, and with other hunter education organizations.

C. To provide a forum where members can discuss issues, propose solutions, and solicit the support of the Association within the current guidelines of section 501 C 3 of the Internal Revenue Code.

D. To provide group exposure to state-of-the art trends in hunter education.

E. To evaluate and recommend training aids and methods of training enhancement.

F. To promote awareness and share information regarding new development trends in hunter education within the Association and with the hunter education organizations of other states.

G. To invite training experts to speak to the group on topics

relevant to Item A., Article I, Section 1.

H. This Association is organized exclusively for charitable, scientific, literary, or educational purposes within the meaning of Section 501(c) (3) of the Internal Revenue Code

We have used the MDC annual workshop to help us stay organized, but that is no longer an option.

Summer is traditionally a time for vacations, and a chance to spend time with the family, a chance to work in the yard, maybe finish a few needed projects, and hopefully a time to enjoy some fun warm weather outdoor activities.

When we were all kids, we all looked forward to things like fishing, camping, and exploring unknown locations. It was our break for a few weeks from school, and a period to relax without a care or worry in the world. Things remained fun and simple, as we shared the beauty of nature first hand.

These same things are still possible to all of us. If you just open our eyes, and look around, the possibilities will astonish you. Missouri holds so many wonders, it is hard to list them all. Nature walks, Camping, Fishing, Orienteering, Float Trips, Cave Exploring, and many more are available to each of us.

As a Hunter Education Instructor, I always try to embrace this time of year as fully as possible. The renewal of the spirit, the soul, and the mind can help bring a fresh attitude and outlook into how Hunter Education classes are taught. Getting in touch with the outdoors and nature between the Spring and Fall crunch often helps in bringing out a renewed passion inside a person.

Helping out at Hunter Education Day Camps, YHEC Championships, and the State Fair will definitely help contribute to the hunter education cause, but more is needed if an Instructor is to be well rounded. By participating and sharing the outdoors as an individual, the Instructor can then teach with first hand knowledge, and not with just faded memories.

Take time for yourself while the opportunity exists. Summers are often just brief moments of time, but they are contain some of the best treasures in life.

Enjoy Your Summer!

The Deputy's Corner

I would like to take this opportunity to introduce myself. My name is Sarah Smith, and I am the new Deputy Director for the Southwest Region. I have been an Instructor for 2 ½ yrs, but have spent many, many years around MHEIA, due to the involvement of my late dad, "Smitty Bear" Smith.

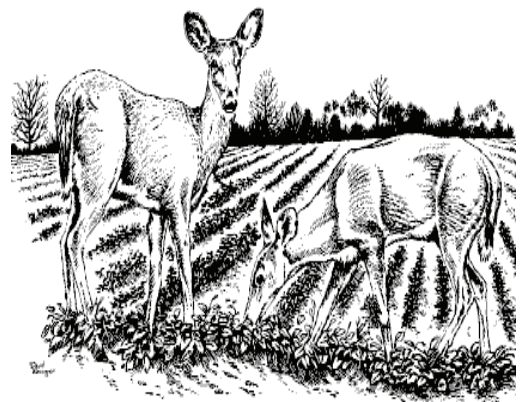

I would attend board meetings with my dad, conferences and at YHEC. It is an honor to be able to carry on the tradition that my father has passed onto me. These are huge hunting boots to follow in but I am ready to follow in his foot steps.

Already I have seen progress that the New Board is taking. We are working on raising our membership and bettering the Association. I think with the Committees we have in place that we will succeed. It will take a lot of hard work and dedication from our members but I think we will survive.

During the weekend of June 22nd-24th several of our instructors worked the Hunter Safety Trail at YHEC in Jefferson City. It was a success. We had several parents and coaches compliment the course and that it was challenging. We had 92 participants go through the course in 2 days. Thanks to my fellow instructors for their hard work and dedication. Thanks go to Dave Hoff for a well planned and challenging course.

As I close the Deputy's Corner, I want to say that I am excited to serve on the Board. I hope we will have a successful year, and can do more as an Association

BOARD MINUTES FOR MAY 22, 2007 MEETING-

Board Minutes 05-22-07 Water's House, Columbia Mo.
10:15am

Present were Earl Williamson, Douglas Wagganer, Don Harris
Ron Boeddeker, Dave Hoff, Sarah Smith, Frank Powers, and
Larry Harlan.

The meeting was called to order.
The Secretary's Report was approved.
The Treasurer's Report was approved.
Budget was discussed.

Committee Reports:
Conference was discussed. Motion was made and approved for
\$3000 for the conference committee.

Membership was discussed. Current membership is at 252. Mo-
tion made to give away a free membership as a door prize at
each regional picnic failed.

A new business affiliate "McGhee Training Services" has
joined the Association. Motion made and approved for \$900 for
the membership committee.

Newsletter was discussed and motion was made and approved
for \$1500 for the newsletters this year.

Bylaws were discussed and a number of things were talked
about. There will be a change to remove the Past President issue.
Term limits are a topic for discussion. Members are asked to
voice their opinion.

Discussion over adding additional deputy directors and proper
wording in the current bylaws shall be continued at the next
meeting after directors have had time to speak with their re-
gional members.

Motion was made and approved for \$500 for the bylaws com-
mittee.

Website was discussed. A PDF form of the newsletter is to go
in. Corrections to the website are to be made.

Funding was discussed in general. The topic of Regional Fund-
raisers was talked about. T-shirts were discussed.

Calendar was discussed. A mock calendar is to be made.

Awards were discussed. A motion was made and approved for
\$500 for the awards committee.

CFM report showed that the fall conference of CFM will be Sept
14th-16th . Motion made and approved for \$500 for the CFM
committee.

State Fair update was given and the Association is providing
\$500 to help feed workers at this event.

YHEC update was given. Jan was not able to be present but the
state event still needs workers for all events. Please contact Jan
Morris if you can help.

Historical committee made its presentation and work has been
done there to consolidate and organize the history of the asso-
ciation. More work is involved and will take some time to com-
plete.

Membership Benefits were discussed. A motion was made and
passed for \$700 for the member benefits committee.

Unfinished Business:
Conference pins were discussed. The result of the mistakes on
the part of the pin maker was that YHEC got an order of pins at
a significantly reduced price. The association is looking into
ordering sets of 07 and 08.

Regions are asked to inventory the equipment of the association
and determine its' location. Policies for the use of equipment
are being developed.

New Business:

Interview requests were discussed. There have been requests for
comment about Department actions. We will decline comment
as an association.

Sarah Smith was installed as Deputy Director for the Southwest
Conference. Leroy Bishop has been installed as Deputy for
K.C.

There will be a committee meeting June 23rd after the YHEC
events for the day. Location TBA.

The next meeting will be Sunday August 19th at the Water's
house in Columbia.

The meeting after will tentatively be October 21st at the Wa-
ter's house in Columbia.

The meeting was adjourned at 3:42pm.

Respectfully submitted
Earl Williamson
Secretary

and Getting Safer!**

SOUTHWEST

Here in Southwest we have been without a Deputy Director for some time. However that is no longer the situation. At the last Board Meeting Sarah Smith agreed to become Deputy Director for Southwest. Sarah lives in Eldorado Springs, her contact information will be listed with the other Deputy Directors in the Newsletter. If you are in Sarah's area feel free to contact her with anything pertaining to MHEIA and Hunter Education.

Saturday, June 16th Andy Dalton Shooting Range hosted the "Southwest Missouri Day" at the range, sponsored by the National Wild Turkey Federation Wheelin' Sportsmen, Southwest Center for Independent Living and the Missouri Department of Conservation. Over 200 people with disabilities and their care givers attended this event. All of the range facilities were available to the participants and their guests. Events included Shotguns, Archery, Pellet Rifles, Wood Working (Bird Houses), Turkey Calls, Jewelry Making, Deer Hunting Seminar, and the most popular event Fishing the Stocked Pond.

All of the events were staffed by volunteers from several organizations. MDC, Range Volunteers, Southwest Center for Independent Living, Hunter Education Instructors, and Boy Scout Troop 200 from Nixa, Mo. Needless to say it was a very enjoyable and rewarding day for all involved. Mark you Calendar for August 24th & 25th (Friday and Saturday). Andy Dalton Range will host a Non-Toxic Shot Workshop. This will demonstrate the superior patterning ability of Non-Toxic Shot including Steel shot.

Be Safe,

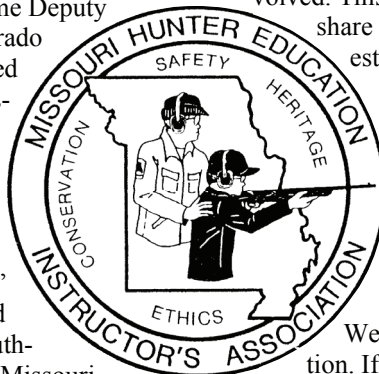

Donald Harris

KANSAS CITY

Summer seems to have come in with the heat and humidity. I hope everyone enjoyed the break from classes the last couple of months. The instructors' picnic and fun shoot for KC was held on June 2nd. There was definitely plenty of fish, burgers and dogs for all. There was a fairly nice turnout but hopefully next year we get even more instructors out.

We have received our schedules for the remaining of the year and looks like another heavy schedule as classes will be picking up for the fall deer season. A number of the area instructors have been fishing the Missouri river for catfish. We tried to catch enough for the picnic but the river was really running high from all the flooding up north.

We made another attempt with some success fishing the river at Napoleon. Many thanks to Mike Mansell for the use of his boat and gear to make this a fun event. We are trying to set up other days to do this again and we hope to get more instructors involved. This is a great way to get to know each other and share your ideas with peers. Just contact me, if interested and we will try to set something up.

In the last newsletter, I asked for input and e-mails. I have received a few but not many e-mails. If you would like to be contacted about any socials or events, please send me your e-mail if you have one to save postage or let me know to send a postcard instead.

We are still looking for fundraisers for the Association. If there are any ideas please let me know. I am also looking at the bylaws. If someone wishes changes to be made please let me know. Everyone have a safe summer and hope to see you at YHEC. .

As some of you know by now, Mr. Allen McGee of Moberly passed away recently. Allen was a very active instructor as well as an active member of MHEIA. Our deepest sympathy goes out to Allen's family.

Our Regional Banquet has been set for August 11, 2007 from 2:00 p.m. to 8:00 p.m. at the Regional Office in Kirksville.

A CONSEP Program will be given and then a meal will be served followed by a short awards ceremony. If you have not received a flyer, please RSVP to the Regional Office no later than July 25, 2007.

Have a safe Summer.

SOUTHEAST

Unfortunately the Skeet and Eat for June 9th was postponed. Dee Dee has stated that she will re-schedule it for this fall and we can all get together then. I had hoped for the opportunity to speak with all of you and give you updates on the Association. As you will see from other articles and the board minutes, we have many things to do if we wish keep this association going.

The annual workshop is no longer something that we can expect from MDC. I need some support from the members here in south-east to make the annual meeting a success. I need to know what we can do to boost membership, and make it a more active organization. I need your ideas.

I would like to organize a sight-in clinic at the Apple Creek Range, and maybe a few other ranges in the regions. What do we

have to offer? Manpower and knowledge. Who are we trying to help? Anyone who needs a few pointers, first time shooters, new gun owners, maybe even each other. After participating in clinics like these before, I can assure you that you will have a good time and maybe even make a few new friends.

Keep your class schedules up to date as we go into the fall. Make sure you have time to come share some BBQ and shoot a few skeet when Dee Dee re-schedules. If you have an idea for something you would like to see this Association doing differently, PLEASE call me or send me an e-mail. Hunt safe and enjoy your summer.

ST. LOUIS

The YHEC Championship was great success again this year. The weather was perfect, and the kids were all top notch. The Orienteering Course was a fun place to be, and from what I saw, there are some good future Hunters in this State's YHEC Group.

The Missouri State Fair is just again around the corner. Please be sure to check out the Hunter Education Booth, if you are at this years State Fair. James Ragland has worked hard to coordinate the event, and Instructors from all across Missouri will be manning the booth.

There is a scheduled Board Meeting on Sunday, August 19th. The entire Board invites every MHEIA Member to attend. New ideas are always welcome, and I believe you will see that MHEA does have a promising future ahead.

Since the last newsletter, I have had to limit some of my activities, due to a broken foot. With everything now almost back to normal, and my foot nearly healed, my daughter has asked me to take her camping and fishing. I am proud to say that my July project is to teach a 6 year old how to fish, and to camp out in the woods without being eaten alive by the ticks and chiggers.

I hope everyone has a great summer. Be Safe!

From the Membership Committee.....

SUSTAINING MEMBERSHIPS:

MHEIA has a provision in our By-laws for Sustaining Memberships. This is any Member who voluntarily pays Membership Dues of \$25 per year, rather than the Regular Dues of \$10 per year. Currently MHEIA have several Members in this category. We felt they should be recognized for the extra support they are giving MHEIA.

Current Sustaining Members are:

Kenneth	Barrows
Richard	Flint
Cheryl	Harris
Donald	Harris
William	Jacoby
Janis	Moran
Carl	Moritz
Stewart	Morton
Michael	Repphun
Edward	Rosenbaum
Don	Sears
Robert	Staton
Jon	Trent
David	Wyatt

If you are a current Sustaining Member and you have been left off the above list please contact me to make the correction. If you are a current Regular Member and would like to become a Sustaining Member for 2007, you can send an additional \$15 check to the Membership Committee at **P.O. Box 4505, Springfield, Mo. 65808**. We appreciate the extra support our Sustaining Members are providing to MHEIA.

2007 MHEIA Awards Nominations

Every year some outstanding MHEIA Member goes above and beyond the norm in bringing the Hunter Education message to the public.

This year we would like your help in recognizing those individuals that are the most truly deserving in your region.

Please help nominate a MHEIA Member from your Region, who continually contributes to the Hunter Education cause, who represents the best image a great Instructor, and who gives 100% or more in making MHEIA a better organization for the future.

The Choice is now yours!

Awards Nomination

I would like to nominate _____ for the

- Regional Instructor of the Year Award
- Friends of M.H.E.I.A. Award
- Ken Anderson Award
- Hall of Fame Award

For the contributions they have made to Hunter Education. I feel they are deserving of the award for the following reasons:

If we want something we are going to have to do it ourselves. The focus is not on what MDC is not going to do for us. It is, what are we going to do for ourselves? The time has come to stop pointing fingers at where problems lie and taking the position of "Oh, I think I'll wait and see what happens before I commit to being a member."

How much do you value the friendships, the passing of ideas, and the satisfaction of taking part in activities that pass on traditions that mean so much to us? For a \$10.00 membership fee, what do you feel like you should have as benefits? If the board's ideas don't suit you, tell us what you would like to see. That idea you have floating around in your head that could make a difference, will never be more than an idea if you don't get involved. I see the same 12 faces sitting around the table at board meeting, that isn't enough to do all that needs to be done.

Are you willing to be the director for your region, why not? Because you don't have the extra time, you can't afford the travel expense, you do not want the added responsibility? Remember your answers before you blame the board that you're not getting what you want. Some of them are spending \$60.00 or more on gas just to come to a board meeting. I would imagine if you want to attend a meeting they would be willing to car pool.

I am willing to give you my time, I am willing to organize projects for the members to benefit from. What are you willing to do? Here is an email address to tell me your thoughts president@mohuntered.com, I want to talk to you if you have something on your mind.
